Morris Dancing is fun, energetic and a very social activity. Our aim is to preserve part of England's cultural heritage, so that it can be enjoyed by everybody and passed on to future generations.

Like most Morris teams, Kettle Bridge Clogs, now in its 26th year, needs a regular infusion of new recruits. We are seeking enthusiastic female dancers and are organising a free "Have a Go" session.

If you want to get fit, would enjoy being part of a dance team which performs locally, nationally and occasionally abroad, if you think that this part of England's cultural heritage is worth maintaining, then Kettle Bridge Clogs could be for you.

If you would like to find out more and have a go at North West Morris, come along to our free "Have a Go!" session on Tuesday 28<sup>th</sup> September. Just keep this handy and contact us to confirm that you are coming along.

For further details, phone Sally on **020 8777 2615**
